**Readings & Worksheets**

## DOWNLOADS BEFORE STARTING THIS EXERCISE:

**First, download the reading [here](#).**

This is a 20 page story I wrote years ago. It's been edited full at least two times and now is ready for one final deep, next level edit.

**Then follow the 5 steps on the next page.**

These steps are from the October 2017 editing webinar.

If you'd like more details for going through this exercise, you can [watch the full webinar](#) or [download just the slides](#) for your review.

### HOW TO EDITING WITH THIS TECHNIQUE?

1. Take notes as you read.  
*(with or without a given focus)*
2. What do your notes suggest to you?
3. Go back to the text to see if you find more information.
4. Write out what you learned.
5. Communicate it clearly to your editing partner.
